

Cervical Roll

Description

COMFORTABLY SUPPORT YOUR NECK

The Xtra-Comfort cervical roll provides optimal spinal support for the neck while sleeping or resting at home, at the office and while on the go

VERSATILE BOLSTER

Place behind the neck, the lower back or under the knees, ankles or feet as needed for comfortable relief

ALLEVIATES PAINFUL PRESSURE

Contoured to mimic the natural curve of the spine, the cervical roll relieves painful pressure, tension and fatigue in the neck and shoulders

MEMORY FOAM CORE

Providing maximum support, the neck roll pillow features a moderately firm memory foam core protected by a cotton cover
