

Inflatable Foot Rest

Description

COMFORTABLE LEG SUPPORT

Generously wide, the inflatable footrest provides comfortably support to elevate both legs, relieving strain and fatigue

EASY INFLATION

Easily inflates with the included hand pump to the desired firmness and quickly deflates for compact storage or travel

VERSATILE POSITIONING

Great for air travel, in the car or the office, the foot rest can be positioned vertically or horizontally for optimal comfort

COMPACT STORAGE BAG

The lightweight inflatable foot rest packs down into a small travel pouch to easily fit into a handbag, carry on or briefcase
