

Memory Foam Knee Walker Pad

Description

DISTRIBUTE PRESSURE

Exceptional cushioning evenly distributes pressure and minimizes fatigue in hip, knee and leg

REDUCES FRICTION

Protects against irritation from friction caused by normal movement

DURABLE MEMORY FOAM

Padding retains its shape over extensive use for all day support

BREATHABLE COVER

Keeps skin comfortable and dry

PROTECTS AGAINST WEAR AND TEAR

Protective non-slip cover keeps the knee pad intact

SECURE FIT

Elastic straps and a lockable drawstring attach easily for a secure fit
