

Travel Footrest With Sleep Mask

Description

ELEVATING LEG REST

Relieve fatigue, stiffness and swelling by elevating the feet and ankles while at work, on a flight or drive

ADJUSTABLE INSTALLATION STRAP

A secure buckle allows the installation strap to be easily adjusted for any situation for optimal comfort and support

COMFORTABLE LIGHTWEIGHT DESIGN

Lightly padded with a soft foam, the travel footrest exterior is made with a breathable mesh to allow heat to quickly dissipate for greater comfort

EASILY PORTABLE

Dual zippered, the lightweight travel footrest zips to enclose the adjustable strap for easy portability and storage
