

U-Shaped Body Pillow

Description

FULL BODY SUPPORT

Designed to comfortably wrap around the entire body, the U-shaped pillow supports the head, neck, shoulders, hips and knees

VERSATILE POSITIONING

The flexible body pillow supports comfortable sleep and supports back, neck and knee while seated

EXCEPTIONALLY SOFT

Filled with soft poly fiber, the pillow is resilient for comfortable support throughout the night

HYPOALLERGENIC BREATHABLE COVER

Machine washable, the exterior zippered cover is breathable to allow heat to quickly dissipate for greater comfort
