

Upright Rollator – Walker with Foldable Transport Seat

Description

SAFELY WALK UPRIGHT

Aiding in mobility, the Upright Rollator Walker eliminates tension in the shoulders and neck and allows users to look forward

COMPACT FOLDABLE DESIGN

Easily folding, the lightweight walker easily fits in the trunk of a car and in compact storage areas

LIGHTWEIGHT ALUMINUM FRAME

Safely supporting up to 300 pounds, the Upright Walker is constructed with durable aluminum that is lightweight for easy portability

ADJUSTABLE HANDLES

Handles easily adjust for a custom fit and include loop hand brakes for assisting in navigating inclines and securely locking the wheels

COMFORTABLE SEATING

Features a lightly padded seat with a backrest for comfortable, on-the-go seating

REMOVABLE BAG

Easy to secure and remove, the Upright Walker storage bag safely holds daily necessities and includes a padded shoulder strap
