

Water Pillow

Description

RESPONSIVE SUPPORT

Quickly adjusts to conform to the head and neck while shifting positions in your sleep for optimal support throughout the night

MULTILAYER PILLOW

Provides comfortable cushioning that is perfect for side, stomach and back sleepers

CUSTOMIZABLE WATER BASE

Create a soft to firm cushion by adding up to five quarts of water to the internal water bladder

CUSHIONING MEMORY FOAM LAYER

The top layer is made with crushed memory foam for added softness
